

About Root for Kids

Root for Kids is a non-profit organization located in Southern Utah serving children from birth to age five in need of extra support. We help provide education and create a nurturing environment for optimal growth and development for every child.

We serve children in Washington County as well as the Arizona communities of Beaver Dam, Littlefield, Desert Springs, Scenic, Colorado City, Centennial Park, Cane Beds, Moccasin and Fredonia.

Get Involved

In order to fulfill our mission, we rely on volunteers and donations of time, money and supplies from individuals, foundations, and businesses to supplement our state and federal contracts.

Formerly
The Learning Center for Families

Serving families and children
from birth to five years of age.

Early Head Start is a comprehensive child development and family support program serving pregnant women and children from birth to age three. This program promotes physical, cognitive, social and emotional growth for infant and toddlers as well as self-sufficiency for parents and/or guardians.

The Early Intervention program provides support and services to families and children from birth to age three who have developmental delays or disabilities. Services are provided through a family coaching model that focuses on helping children meet goals in all areas of development.

Since 1993 Root for Kids has served over 15,000 children

Parents as Teachers is an early childhood family support and parent education home-visiting program. Family Support Specialists work with parents to strengthen protective factors and ensure that children from birth to age five are healthy, safe, and ready to learn.

Caterpillar Clubhouse is a forward thinking Early Childhood Development Center that provides high-quality child care and learning opportunities that help your child receive the best possible start in life.

The Music and Play Studio offers the Kindermusik® curriculum for children birth to age five and their parent or caregiver. It's a fun and interactive class designed to help children develop a variety of skills.
