Saturday, April 27, 2024

Root for Kids is a non-profit organization in Southern Utah that provides services for children and families in need of extra support. We help families create a nurturing environment for optimal growth and development for each child. Since 1993, we have served over 20,000 families through our home visiting programs and childcare partnerships in Washington County, San Juan County, and the Arizona Strip.

Investing in our Secret Garden Gala is an investment in the future of babies and toddlers' health and well-being in our communities for generations to come. As a sponsor, you and your guests will enjoy an unforgettable experience while supporting the biggest possible future for children.
