

FAMILY SUPPORT COORDINATION

ROOT FOR KIDS

OUR SERVICES

WHO IT IS FOR?

Pregnant women & parents/caregivers of children up to the age of five.

WHAT IS IT?

Short-term, one-on-one support to aid families in locating information and connecting to services that address their immediate needs while also supporting the family's overall well-being.

WHY IS IT IMPORTANT?

Challenges like poverty, food or housing insecurity, language barriers, and unemployment can hinder access to essential resources and support. When families receive timely and effective support, they can better nurture their young children for success.

Support for Family Support Coordination is provided by a grant from First Things First, which partners with families and communities to give all Arizona children the opportunity to arrive at kindergarten healthy and ready to succeed.
